

August 2020 Newsletter and Thank You!

Watertown Veterinary Clinic
300 Angel Ave SW – Box 327
Watertown, MN 55388
952-955-1525

THANK YOU!

We want to say thank you to all of our wonderful clients for your patience and understanding while we navigate caring for your pets during this Covid-19 pandemic. We, like most veterinary clinics in the area, are continuing to provide curbside service. We know it can be scary not to come into the clinic with your pet. We want you to know your pets still get the same high-quality care, both medically and in the form of TLC! Caring for your pets remains our number one priority and we appreciate your trust.

Say Goodbye to Worrying about Fleas and Ticks

Fleas and ticks are unfortunately a common problem for dogs and cats. The risk doesn't stop come fall. Ticks can have a resurgence in the fall. Your pet's best protection against fleas and ticks is giving them monthly preventatives, such as NexGard or Frontline Gold. [Click here to learn more.](#)

Now Through September 30 Purchase:

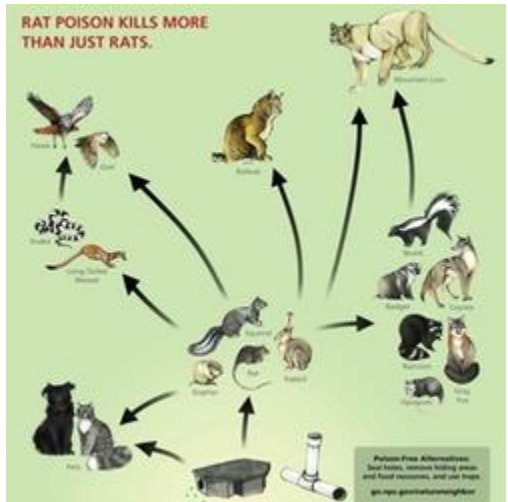

Act Now to Save on your Monthly Preventatives

By purchasing your pet's Heartworm preventative (Heartgard Plus) and Flea and Tick preventative (NexGard or Frontline Gold) together between now and September 30th you qualify for an increased instant rebate!

Option 1: Purchase 12 doses of Heartgard Plus AND 12 doses of NexGard OR Frontline Gold and receive \$75 off at time of purchase.

Option 2: Purchase 12 doses of Heartgard Plus AND 6 doses of NexGard OR Frontline Gold and receive \$50 off at time of purchase.

Rat Poison Kills More Than Just Rats

As the weather gets colder, mice and rats start coming into our homes, garages and sheds in preparation for the winter. As tempting as it may seem to put out poison to kill them, you will want to think twice if you have pets around. [Click here to learn more.](#)
